

DOWNE TOWNSHIP ELEMENTARY SCHOOL

January 11, 2021

Dear Parents & Guardians,

As you know, on December 10, 2020, Downe Township School made the decision to move to full-remote/virtual learning with a tentative reopening date of January 19, 2021. At this point in time, our county has moved into the "Very High Risk" or "red" category.

After consultation with the County Office of Education, other superintendents in Cumberland County, and the Health Department, it has been decided to extend our period of full-remote/virtual learning. This was a very difficult decision as we all agree that in-person instruction is best for our students academically. Our tentative reopening date for hybrid learning will be Tuesday, February 16, 2021. In the meantime, we will continue to monitor and assess conditions in our community as we navigate through the pandemic. Meal pick-up will continue during the duration of our school closure with weekly pick-up on Wednesdays between 10:00 am and 12:00 pm at our side door. You may be added or removed from our pick-up list at any time by contacting the main office.

Thank you for your continued cooperation during this difficult time. This situation is challenging for us all. We will continue to put the health and safety of our students, staff members, and their families at the forefront of our decisions.

Sincerely,

A handwritten signature in cursive script that reads "Sherri Miller".
