I look forward to an amazing school year filled with lots of learning and plenty of fun. I have made a list of supplies you will need for class. If you have any questions please email me at mhough@downeschool.org.

Over the summer I encourage everyone to read for at least 20 minutes a day. Barnes and Noble is doing a free program to earn free books! Students should master their multiplication facts, and practice typing with proper finger placement. I suggest www.typingclub.com for free typing practice.
