

Dear Parents/Guardians,

Welcome to a new school year! With remote learning in mind, please prepare your child a workspace. I have provided a pencil bag with a highlighter, 2 pencils with extra erasers and two expo markers. I have also provided a white board and a composition book. The white board will be used for math during remote learning. I have provided all of the necessary school supplies that we will need during remote learning. Please purchase an agenda to keep track of when assignments are due.

Upon our return to the school building, your child will need the following items:

- Binder with white lined paper (1-2 inch)
- Divider tabs for binder
- 4 single subject notebooks (ELA, Math, Science & Social Studies)
- Pencils
- Expo dry erase markers
- Scissors
- Colored pencils or crayons
- Earbuds or headphones for Chromebook (in a labeled bag with name)
- Erasable pens (optional)

Optional personal items:

- Tissues, Lysol/Clorox wipes, hand sanitizer

Again, these items will not be needed until we return to in-person learning.

Sincerely,

Mrs. Ruscica
